DATE: June 13, 2018

SUBJECT: **Fourth Submittal and Review of SP16-107 Compark Village South F1 Belford Bridge Site Plan**

SP16-107 is a bridge design project and Construction Plans were submitted in lieu of a site plan requiring Town Engineering staff review. Please log into Trakit Project No. SP16-107 and ensure all comments and memorandums uploaded to the project are addressed and resolved with a written response prior to a resubmittal.
