October 12, 2018

Fence upgrade:

It is proposed to change the existing 30 feet long, 4 feet high cedar fence located on Pilgrim Place. The subject fence is in the Northeast corner of the property running East-West.

The new fence will be in the exact location and have the following specifications:

- 30 feet long

- 6 feet high

- 4x4 treated posts (8 ft. on center)

- Posts to be set in concrete

- 2x4 treated horizontal stringers with 3 inch galvanized screws

- 1x4 cedar fence pickets (slats) to be 6 feet long, installed vertically with no spacing and secured with 1-1/4 inch galvanized screws.
