2. The Lincoln Professional Park Annexation Agreement requires improvements to both Dransfeldt Road and Lincoln Avenue. Please see the attached redlines as the sidewalk along Dransfeldt Road south of the entrance will also need to be a detached sidewalk.

Comment Addressed: Yes No

Response:

3. Staff understands the property owners wish to keep the sidewalks internal to the development as attached. Please note that the streetscape (trees and grass) along these internal sidewalks will be required to be installed with the Minor Development Plat for the property. This streetscape will need to be a minimum of 5 feet in width. In addition, when the adjacent properties development, the property perimeter or parking lot perimeter landscaping (whichever landscape requirement applies) will need to be placed behind the streetscape. For example, parking lot perimeter landscaping would require an additional 10 feet of landscaping behind the 5 foot of streetscape landscaping. Please evaluate the site to ensure that these requirements can be satisfied.

Comment Addressed: Yes No

Response:
