T.O.P. Project #SP21-133  
PWSD Project 2021-397

Dear Ms. Nerger:

Thank you for forwarding the referral request for the above-mentioned project. After a review of the documents submitted, the Parker Water & Sanitation District has the following comments:

- PWSD has no further design comments.
- PWSD will do no further work on this project until review engineering/inspection fees are paid.
- An Industrial Waste Permit application must be completed. Application is available at [www.pwsd.org](http://www.pwsd.org).
- Please note the following fees and documents are required to be submitted to PWSD prior to plan approval.
  - Improvement agreement (SIA), Engineers cost estimate, letter of credit, easement documents with PWSD agreement signed and attached, and domestic tap fees.
- Please note the Lincoln & Dransfeldt infrastructure project must have PWSD construction approval prior to approval of this project.

Please let us know if you have any question on the above comments. We look forward to the final submittal on this project.

Sincerely,  
Parker Water & Sanitation District
