**Re: Lincoln Professional Park L3 Andy's Custard – 2<sup>nd</sup> referral  
Case # SP22-113**

Public Service Company of Colorado's (PSCo) Right of Way & Permits Referral Desk has reviewed the site plan for **Lincoln Professional Park L3 Andy's Custard**. The property owner/developer/contractor must complete the application process for any new natural gas service via [xcelenergy.com/InstallAndConnect](https://xcelenergy.com/InstallAndConnect). It is then the responsibility of the developer to contact the Designer assigned to the project for approval of design details.

If additional easements need to be acquired by separate PSCo document, a Right-of-Way Agent will need to be contacted.
