GENERAL PROJECT COMMENTS:

1. The Planning Division references certain sections of the Parker 2035 Master Plan, the Land Development Ordinance (LDO) and the Development Design Standards. Copies of these documents are available at:
[Parker 2035 Master Plan](#)
[Development Design Standards](#)
[Land Development Ordinance](#)
2. The Planning Division has made every effort to make this comment letter as comprehensive as possible. However, additional comments that have not been provided as part of this comment letter may be identified as part of future submittals, based on revisions to the project.
3. Please contact the referral agencies if you have questions regarding their review comment(s).
4. A redlined plan is included with this memorandum and is intended to supplement and clarify the review comments of this memorandum.
5. Final Plans submitted to the Building Department, Engineering Department and Parker Water and Sanitation District **must be exactly the same as the approved Site Plan set.**
6. The Town of Parker has implemented a naming convention for all applications. For all future documents that are uploaded to TRAKiT please ensure the submittal round is first, the name of the document is second and the name of the project is third. Staff will not refer the application out with this naming convention.
Example: "02" or "Second Submittal"

7. **Prairie Dog Management:** The Town’s current land development ordinance section 13.10.250 - Prairie Dog Management requires applicants/developers to make a good faith effort to have any prairie dogs on site relocated. Documentation of this effort will be a condition of the land use application approval/site development and a certificate of compliance will be required prior to issuance of the grading permit. If relocation of the prairie dogs is not available, humane extermination may be considered. Prairie Dog management should begin as early as possible during the review process. Please coordinate with staff.
