**Re: Douglas 234 F6 A2 L8A - Les Schwab Tire, Case # SP23-054**

Public Service Company of Colorado's (PSCo) Right of Way & Permits Referral Desk has reviewed the site plan for **Douglas 234 F6 A2 L8A - Les Schwab Tire**. Please be aware PSCo owns and operates existing natural gas distribution facilities along Sliceroo Drive. The property owner/developer/contractor must complete the application process for any new natural gas service, or modification to existing facilities via [xcelenergy.com/InstallAndConnect](http://xcelenergy.com/InstallAndConnect). It is then the responsibility of the developer to contact the Designer assigned to the project for approval of design details.

As a safety precaution, PSCo would like to remind the developer to call the Utility Notification Center by dialing 811 for utility locates prior to construction.

If additional easements need to be acquired by separate PSCo document, a Right-of-Way Agent will need to be contacted by the Designer.
