T.O.P. Project: # SP23-097
PWSD Project: #2024-307

Mr. Exstrom,

Thank you for submitting your plans for the above-mentioned project. Please note the following items have not been addressed at this time.

1. Town of Parker expanding existing 1 ½ tap that is at the town hall building currently, expanding to a 2" tap. See attached invoice for tap fee charge. Please contact us with the three water credit numbers you want to use for this project.
2. Please reload the Irrigation Worksheet (we are not able to download it).
3. Please have life safety sign off on plans.
4. All Easement documents will need to be originals, please send them to our new location of 13939 Ancestry Drive, Attn: Robert Ramsey. PWSD will record the easement once they have been reviewed and signed off on by myself.

Please let us know if you have any questions on the above comments. We look forward to the final submittal on this project.

Sincerely,
Parker Water & Sanitation District

Robert Ramsey
