

Reviewed for code compliance

03/26/2024

Please call to schedule the inspection when ready.  
303.841.1970 and ask for Jeff Miller,  
Randy Sale, or Jon Nelson.

City of Parker. This year as in years past, Costco is planning to do a large live plant and flower display in our vestibule area. This seasonal promotion will run the duration of about 6 weeks. In an effort to prevent theft and conceal the merchandise, we will assemble a fence of 154 feet that will be placed 7 feet away from the outside wall of our building. With the fence assembled, an 8 foot walkway will still be available for pedestrians.
