

## Site Plan Adjustment #2 Narrative

In-N-Out Burger is requesting a site plan adjustment to the approved site plan SP22-143. This request is being made to address the following items:

1. Revised trash enclosure elevations to reflect additional stone on corner columns to match stone columns on building.
2. Addition of recessed lighting on the inside face of the stairway walls to provide additional lighting along stairs at northeast corner of the site as noted by schedule note #72 on the site plan provided. Light fixture cut sheet provided for reference.
