**Re: Salisbury North MDP F1 AMD 2 L1 - Park Expansion Phase 1
Case # SP24-124**

Public Service Company of Colorado's (PSCo) Right of Way & Permits Referral Desk has reviewed the site plan for **Salisbury North MDP F1 AMD 2 L1 - Park Expansion Phase 1**. The property owner/developer/contractor must complete the application process for any new natural gas service via [xcelenergy.com/InstallAndConnect](https://www.xcelenergy.com/InstallAndConnect). It is then the responsibility of the developer to contact the Designer assigned to the project for approval of design details.

If additional easements need to be acquired by separate PSCo document, a Right-of-Way Agent will need to be contacted by the Designer.

As a safety precaution, PSCo would like to remind the developer to contact Colorado 811 for utility locates prior to construction.
