Town of Parker  
20120 East Mainstreet  
Parker, CO 80138

Regarding: Disclosure Letter of Known Hazards on Site  
Name of Project: AdventHealth Parker Tower Addition

As applicant for the above referenced project, we understand that Town staff and its consultants may need to visit the subject property for the purpose of observation, assessment, measurement or analysis of the property related to the land development request we have submitted. Consistent with the Town's Risk Management policies, the purpose of this disclosure letter is to advise the Town of any know Geologic, Biologic, or Physical Hazards on site, or of vicious animals present on site.

*(Choose the applicable paragraph from the next two paragraphs)*

We are therefore advising the Town of the following known hazards (list in bullet point form below)

We are therefore advising the Town that to the best of our knowledge and understanding regarding the subject property, there are no known hazards on site for which Town staff would need to take precautions before entering the property.

Should you have any questions or require clarification of the above referenced information, you may contact us using the information below.
