Re: Trails at Crowfoot Filing No. 1 - 2nd referral, Case # SUB17-039

Public Service Company of Colorado's (PSCo) Right of Way & Permits Referral Desk has reviewed the second referral plat for **Trails at Crowfoot Filing No. 1**, acknowledges Note 11 added to the plat, and acknowledges that the Tracts will be replatted in the future.

PSCo also requests that the words "natural gas" are added to Note 9 after the words "electrical".

As the project progresses, the property owner/developer/contractor is reminded to complete the **application process** for any new natural gas service via FastApp-Fax-Email-USPS (go to: https://www.xcelenergy.com/start_stop_transfer/new_construction_service_activation_for_builders).

If there are any questions with this referral response, please contact me at 303-571-3306.
