Re: Trails at Crowfoot Filing 9 – Project Narrative

Dear Stacey,

CVL Consultants of Colorado Inc. (CVL) is submitting this project narrative in association with the Filing 9 Final Plat for the Trails at Crowfoot Project. This narrative is on behalf of HR 935 LLC.

Project Location

The Trails at Crowfoot Development is located within the Town of Parker, Douglas County, Colorado. The boundary of the development spans several sections, all of which are located within Township 7 South, Range 66 west of the 5th principal meridian.

The site is bounded by N. Crowfoot Valley Rd. to the northwest, Rich Lawn Estates to the north, Hungry Horse open space to the east and the Town of Parker city limits to the south.

Final Plat and Construction Plans

- Filing 9 Final Plat is a portion of the Trails at Crowfoot Preliminary Plan. This final plat establishes 0 lots and 15 tracts.
- These tracts are “unbuildable” until re-platting by future filings.
- Filing 10 through Filing 13 Final Plats will replat these tracts into buildable lots.
- A drainage report and traffic study have been completed for the entire Trails at Crowfoot Project.

Intent

Trails at Crowfoot Filing 9 Final Plat encompasses the east portion of the Trails at Crowfoot site. The final plat contains 0 lots and 15 tracts. The associated Street and Storm Construction Plans and Water and Sanitary Construction Plans contain the main infrastructure for the east half of the site including the arterial Bayou Gulch Road, and the boulevard collector N. Pinery Parkway. These plans also include the overlot grading for the entire east portion of the site. Plans for landscape improvements for the main infrastructure are also included.
