DOUGLAS COUNTY DEPARTMENT OF COMMUNITY DEVELOPMENT

Addressing Comments:

Comment: No comment.

Response: *Acknowledged.*

Engineering Comments:

Comment: No comments.

Response: *Acknowledged.*

Planner Comments:

Comment: Thank you for providing the opportunity for Douglas County community Development to provide comment. Douglas County Planning Services has reviewed the project for consistency with the Town of Parker and Douglas County Intergovernmental Agreement (IGA) and Comprehensive Development Plan. The proposal is within Region 1 of the Town Urban Growth Area and is required to comply with Section 5.0 of the IGA. Following review of the development requirements within Section 5.1, the proposal appears compliant with the IGA requirements for development within the Urban Growth Area adjacent to a Community Separation Buffer Area.

Response: *Acknowledged.*

SCO CONSULTING, LLC, Steve Ormiston, Consultant to DCSD

Comment: With a commitment to dedicate 10.753-acres for elementary school land, and DCSD’s request for two 12-acre elementary school sites totaling 24-acres to be located in the Hess PD, DCSD requests cash-in-lieu for the additional 4-acres requested beyond the 20-acres to be provided. Pursuant to Section 13.07.140 (d), (6), © of the Parker Development Code, “a cash-in-lieu fee shall be equivalent to the full market value of the acreage required for school land dedication. Value shall be based on anticipated market value after completion of platting and construction of public improvements. The applicant shall submit a proposal for the cash-in-lieu-fee and supply the information necessary for the Town Council to evaluate the adequacy of the proposal. This information shall include at least one (1) appraisal of the property by qualified appraiser,” DCSD would like a complimentary copy of the appraisal prepared. We would ask that the fee be paid at the time of the final plat. Additionally, with Hess PD 1st Amendment,

DCSD asked for a voluntary mid-range contribution of \$1952 per residential unit towards the Capital Mitigation component. The Town of Parker determined that the annexation agreement could not add new exactions. New schools will be needed to serve this area. We would like to have confirmation of concurrence with these commitments for the application to move forward. Once we receive that confirmation, DCSD supports this application for approval.

Response: The Developer has confirmed with the Town of Parker that we have satisfied all requirement to the Douglas County School District, subject only to staff approval of the final plats. We have relayed this information to DCSD through their consultant Mr. Steve Ormiston.
