Dear **Mr. Paul Workman**,

This letter is in response to the request for our comments concerning the referenced project. We appreciate the opportunity to review this proposal. We have reviewed this proposal only as it relates to major drainage features, in this case:

- Kinney Creek

We have the following comments to offer:

1. Drainage easements for UDFCD Maintenance Eligible items are labeled on plat to be dedicated by separate document. These easements will need to be dedicated prior UDFCD can issue design approval letter for project.
2. Responses and revisions from UDFCD's 9/18/18 comment letter have not been received.

Please feel free to contact me with any questions or concerns.

Sincerely,
