

June 17, 2022

Mr. Michael Walton, PE, CFM  
Town of Parker  
20120 E. Mainstreet  
Parker, CO 80134

**RE: *Parker and Pin Filing 1 As-Builts***

To follow-up on our email correspondence, during the intervening months since the as-builts were prepared, the project surveyor, Earl B. Lambert (PLS #10734), has passed away and his company Alpha & Omega Consultants, Inc. has closed. As such, we are unable to provide the required signature on the surveyor certification without re-surveying the site. As suggested, we will add the Town's standard surveyor's certification/statement to each sheet, but no signature will be provided.

Please contact me at (303) 228-2318 or [dan.skeehan@kimley-horn.com](mailto:dan.skeehan@kimley-horn.com) should you have any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "Dan Skeehan".

Dan Skeehan, P.E.  
Project Manager
