Dear Ms. Nerger:

HR 935 LLC respectfully requests that the plat approvals for Filings 9-13 get extended until December 31, 2010. The extension will allow HR 935 and the Town of Parker to finalize a Town of Parker sign location(s) within the Trails at Crowfoot community. In addition the extension will allow HR 935 to work with Douglas County to accommodate their requested changes to the alignment of North Pinery Parkway. Should you have any questions please contact the undersigned at 303.994.5357. We appreciate your consideration of this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read 'CMT Janke', is written over the printed name 'Christian M. Janke'.
