Re: Project Narrative-Salisbury North Replat, Amendment No. 2 (SUB24-005)

Dear Ms. Duncan,

The Town of Parker's Parks, Recreation, and Open Space Department is submitting a replat application for Salisbury North. The open space is 91.307 acres, directly north and adjacent to Salisbury Park. The property is zoned Public Facilities.

This application proposes to add .5 acres of road right-of-way to accommodate two decel turn lanes into the park.

I have uploaded the project information into Trakit. Let me know if additional information is needed to process this replat request.

Sincerely,

A handwritten signature in black ink that reads "Brett Collins".
