Re: * AMENDED RESPONSE *
Salisbury North Minor Development Plat 2nd Amd, Case # SUB24-0055

Public Service Company of Colorado's (PSCo) Right of Way and Permits Referral Desk has reviewed the replat for **Salisbury North Minor Development Plat A2**. The property owner/developer/contractor must complete the application process for any new natural gas service, or modification to existing facilities via xcelenergy.com/InstallAndConnect. It is then the responsibility of the developer to contact the Designer assigned to the project for approval of design details.

For additional easements that may need to be acquired by separate PSCo document, the Designer must contact a Right-of-Way Agent.

As a safety precaution, PSCo would like to remind the developer to call the Utility Notification Center by dialing 811 for utility locates prior to construction.
