Subject: Parker and Pine Condo Plat- 2nd Phase

Dear Bryce,

I am writing to formally request acceptance of our initial Condo Plat submittal for a property located within the Parker and Pine Filing No.2 Lots 1-3. I am the owner representative of Echelon Parker, LLC, and per Town standards we are required to submit a Condo Plat.

Per previous coordination efforts with Stacey Nerger, we will be submitting our Condo Plat over three (3) phases due to timing of construction. This second submittal captures the Condo Plat for our second phase, located at 9554 Twenty Mile Road, which we are needing to turn by 7/6.

I kindly request that the Planning Department review the submitted plans and consider their merit for approval.

Thank you for your attention to this matter. I look forward to your favorable response and the continuation of our collaboration with the Town of Parker. Should you require any additional information or have any questions, please do not hesitate to contact me at your earliest convenience.

Sincerely,

W. Karl Stout
Director of Civil Engineering

Regarding: Property Owner Letter of Authorization
[Name of Project: SUB24-034 Parker and Pine Condo Plat]

I, Echelon Parker, LLC, hereby certify that I am the legal owner of record of the land described in the attached Legal Description (See Exhibit A to this Land Use Application), and do hereby authorize Garrett Companies to process this land use application on behalf of the subject property.

I understand that in the review of this project, by providing this authorization, I will allow Town of Parker Staff to enter the subject property for purposes of evaluating this land use request, as the specifics of this application may require.

I also understand that as part of the review of this project, the Town may find it necessary to outsource certain aspects of the review. Although there is a Charge Back Agreement submitted by the applicant for payment of those outsourced review fees which specifies that the applicant shall pay such fees, ultimately, it is the subject property, itself, which encumbers the ultimate responsibility for repayment of those fees in the event of default of payment by the applicant. Should this occur, I understand that the Town has, as part of its remedies under the Charge Back Agreement and Land Use Application, the imposition of liens against the property, should such become necessary.
