Parker and Pine

Dear Ms. Chasez,

Thank you for your assistance in processing the above submittal. We are submitting this updated condo map to proactively address comments received on SUB23-027 and SUB24-034 to bring all condo maps within the Parker & Pine project into alignment. Additionally, we have modified the unit numbering of Building 2 based on our recent meetings and guidance received.

We have reached out to reviewers who have issued comments to understand their comments to be sure they have been properly addressed.

Sincerely,

Ashley Bedell
