Letter of Authorization from Property Owner

Regarding: Property Owner Letter of Authorization
[Name of Project: Trails at Crowfoot (Hess South)]

I, Chris Elliot, ESX Management, hereby certify that I am the legal owner of record of the land described in the attached Legal Description (See Exhibit A to this Land Use Application), and do hereby authorize John Prestwich, PCS Group, Inc to process this land use application on behalf of the subject property.

I understand that in the review of this project, by providing this authorization, I will allow Town of Parker Staff to enter the subject property for purposes of evaluating this land use request, as the specifics of this application may require.

I also understand that as part of the review of this project, the Town may find it necessary to outsource certain aspects of the review. Although there is a Charge Back Agreement submitted by the applicant for payment of those outsourced review fees which specifies that the applicant shall pay such fees, ultimately, it is the subject property, itself, which encumbers the ultimate responsibility for repayment of those fees in the event of default of payment by the applicant. Should this occur, I understand that the Town has, as part of its remedies under the Charge Back Agreement and Land Use Application, the imposition of liens against the property, should such become necessary.
