Paul,  
Douglas County Engineering did have one comment that was not properly input for the Parker Point annexation and rezoning:

1. Douglas County Engineering requests the Town of Parker annex State Highway 83 from Stroh Road to and including the intersection of Lewis Christensen Road. Properties on both sides of State Highway 83 in this stretch are in the jurisdiction of the Town.

I believe we made this comment for the Minor Development and Site Plan referral for Parker Point, just not the rezoning and annexation.

Thanks,

Hi Paul,

Here is the County referral letter on the annexation and rezoning for Parker Pointe. Could you please send me a confirmation of receipt?
